Wedding Fee Schedule

CONGRATULATIONS on your decision to share your lives together in communion with each other and with God.

We Know that even though this is the most joyous time of your life, it can also be a very stressful time due to the detailed planning and financial requirements.

As you plan your wedding, we would like to provide you with all of the information necessary to tailor the celebration to best suit you.

Building availability will be determined by the office administrator. A deposit is due at the time of reservation.

We do not have a coordinator available with experience in planning at this time. You are welcome to plan and coordinate the entire wedding yourself if you desire.

Our sound equipment must be operated by one of our sound team members. Sorry, no exceptions.

Our custodian will clean areas used and will also be responsible to set up and take down all church owned equipment.

We love you and pray this will truly be a joyous occasion, and that a lifelong marriage, grounded on the Lord Jesus Christ, will be born.
